

Blue Water Center for Independent Living

Independent Living is the right of all people to make informed choices, to have personal control over their own lives, and to participate in the everyday activities of work, school, home, family, and community. BWCIL is a non-profit, consumer-based organization that advocates, informs and supports persons with disabilities in our community. BWCIL is run by and for people with disabilities in the five counties of Michigan's Thumb.

This site is currently under construction. We apologize for the inconvenience. If you would like more information about our services, please contact your local office.
